

Press Release

01/04/10: - Fundsport Secure Third Family of Schools

Fundsport UK are delighted to announce that they have become the Extended Services project managers for the Kimberley family of schools.

The year-long contract that began on April 1st will ensure that both children and the local community throughout the cluster of schools will benefit from varying types of funding that will enable a multitude of activities to be made available.

The company, based in Kirkby-in-Ashfield already co-ordinate the Extended Services project's within the Arnold and Eastwood family of schools, have a formula that has proved highly successful with innovative design, strong leadership and excellent delivery of activities.

Extended Services is a government backed programme that aims to meet the needs of pupils, parents and the wider community alike. It is the government's vision that all children should have access to activities beyond the school day. These should be safe, stimulating and exciting – and can be numerous events including breakfast clubs, lunchtime clubs and after school clubs plus holiday provision.

It's also a case of signposting people to all types of events and services that are available throughout the community and accessible to all.

Fundsport are committed to providing a quality service that responds to the needs not only of the schools, but its pupils, parents and the community, it is with this in mind that the company have provided a full-time co-ordinator for the position. Having a full-time co-ordinator ensures the Service has complete focus and attention.

The schools within the family that will benefit from the programme are The Kimberley School, Horsendale Primary, Mornington Primary, Larkfields Infant, Larkfields Junior, Hollywell Primary, Awsworth Primary, Gilthill Primary, and finally Kimberley Primary.

The new Extended Services coordinator for the family, Camilla Denham said: "I'm really looking forward to working with the family of schools and building on the work that has already been done. Knowing how things have developed in Arnold and Eastwood, it's an exciting opportunity and hopefully we can bring some positive things to Kimberley."
