08/04/10: - Fundsport Aim To Hit The Summit

Fundsport UK have been chosen to revive the fortunes of the Summit Centre in Kirkby-in-Ashfield. The Leisure Centre on Pavilion Road will receive marketing expertise from Fundsport in a bid to maximise the facilities on offer.

The centre can boast a sports hall, multi-use games area, IT suite and conference rooms amongst its many facilities that are available to the community.

With Fundsport's help, the centre will be able to become a sustainable leisure centre that can thrive and be the facility in the community people need.

Marketing Co-ordinator Jo Pepper said: "Our aim is to re-establish the centre back within the community, as well as arranging projects and programmes for young people and adults alike.

We hope to make the Summit Centre a hub of the community and by marketing the facilities and programmes held here, allow all different kinds of people and groups to benefit from what it has to offer.'

Just using one example, the Multi Use Games Area has just received a brand new rubber crumb surface, making it ideal for local sports clubs to use – we need to shout these types of things from the rooftops and let people know what we have here!"
